D I S T R I C T 3 0 7

Home of the Boilermakers

700 West North Street | Bradley, IL 60915

October 13, 2021

Dear Parents and Guardians of BBCHS,

Over the past month, there has been a series of monthly “challenges” that have surfaced and are spreading nationwide on the popular social media platform, Tik Tok. These actions being encouraged are inappropriate and in some cases illegal. A full list of the challenges can be seen below. These actions will not be tolerated within our building and will be followed with the appropriate consequence which may include legal action.

- September – Mess up a toilet/vandalize a restroom
- October – Smack a staff member on the backside
- November – Kiss your friend’s girlfriend at school
- December – Show your balls in school halls (expose your private area)
- January – Jab a breast
- February – Mess up school signs
- March – Make a mess in the courtyard or cafeteria
- April – Grab some “eggz” (theft/stealing)
- May – Ditch day
- June – Flip off front office
- July – Spray a neighbor’s fence

Today, it is our goal to open a transparent conversation as well as bring awareness to this situation. Our building is designed to be a safe, clean space for everyone who enters. We encourage you to take this opportunity to speak to your student(s) about the appropriate and respectful use of social media and cell phones. Being socially responsible, kind, and mindful on these platforms is becoming increasingly important. That being said, when your student is in our building, we will do our part to keep them safe, secure, and appropriately educated while under our guidance.

Let’s work together as a community to keep our school and community safe. We appreciate your support as we take a stand to eliminate this behavior from our building. Thank you for your continued partnership to aid in keeping our staff and students safe.

Respectfully,
Dr. Brian Wright, Principal
