Bradley-Bourbonnais Community and Families,

I am excited to share that 38 of our senior students have been recognized as Illinois State Scholars! This prestigious honor places them in the top 10% of high school seniors across the state. The selection of Illinois State Scholars is based on a combination of SAT test scores and sixth-semester class rank. This recognition serves as a testament to the hard work and commitment of these students!

These students have not only excelled academically but have also contributed to our vibrant and diverse school community through their leadership, community involvement, and dedication to making a positive impact. Their recognition as Illinois State Scholars is a testament to their well-rounded accomplishments and the supportive environment provided by our school.

In celebration of their outstanding achievement, we will be hosting a special recognition ceremony at the home basketball game on January 23rd to honor these Illinois State Scholars. We invite families, friends, faculty, and the entire community to join us in celebrating the accomplishments of these remarkable students. Please join me in congratulating these 38 seniors on this well-deserved recognition. Their success is a reflection of the strong partnership between our dedicated educators, supportive families, and the hard work of each student!
