### **Addition of Early Release Days**

Dear BBCHS Families and Students,

Throughout this school year, we have been dedicated to keeping students learning in-person despite our current challenges. However, this pandemic has caused a great deal of pressure on our school system and has created staffing shortages for a variety of reasons. These shortages have forced teachers to give up their plan time in order to cover other classrooms. It is important to note that their plan time is crucial for quality instruction.

In order to combat this, BBCHS has added five additional early release days and will be on an early release schedule **every Wednesday beginning tomorrow, January 12, until Spring Break**. We will follow our early dismissal bell schedule, and students will be dismissed at 1:10pm each Wednesday. Transportation will run per usual, and grab-and-go lunches will be available for students. [These days have also been added to the school calendar on our website as a reminder.](#)

We greatly appreciate your flexibility and partnership as we work together to ensure quality education for our students!

Sincerely,

Matt Vosberg, Ed. D.

Superintendent
